

kierra palmer

C O M P U T E R S C I E N C E S T U D E N T

profile

My name is Kierra and I am currently a Junior at Weber State University. My major is Computer Science with a minor in Web Technologies. My goal in the next two years is to finish my studies at WSU and hopefully get an internship or job to help expand my knowledge in the technologies world. My most defining qualities include my strong determination to succeed and my unique perspective on topics of interest.
